

Vernon Hills Commuter Parking

Welcome to the Vernon Hills Station on the Metra North Central Service line. Service is provided from Antioch to Chicago's Union Station, Monday through Friday. A stop at O'Hare Airport Remote Parking Lot F provides access to airline terminals.

Daily Fee Parking: The parking lot has 752 parking spaces. Vernon Hills, like all communities on the North Central Service line, will charge a daily fee of \$1.50 per space. A slot box fee collection system is used for daily fee parking. The box is located next to the station house. The Vernon Hills police department collects the fees on a daily basis and assesses fines for persons failing to pay the proper fee. To avoid fines, please remember your parking space number and place your parking fee in the proper slot in the fee collection system.

Permit Parking: In addition to daily fee parking, a bimonthly, prepaid permit is sold by the Village for \$50. These permits are sold for convenience only and do not guarantee the holder a parking space. Permits purchased after the first week of the first month of a bimonthly period will be prorated.

Permits may be purchased at the Vernon Hills Village Hall during the hours of 8:30 a.m. to 5:00 p.m., Monday through Friday. Permits may also be purchased by mail: 290 Evergreen Drive.

Permits cover the following periods: January/February, March/April, May/June, July/August, September/October and November/December.

Permits should be hung from the rear view mirror and should face the traffic aisle.

Permit holders may park in any space, however, the designated long-term or handicapped parking spaces are to be used for their intended purposes only. Use of a handicapped parking space requires a handicapped permit or license plates for handicapped parking.

Permits are transferable to other vehicles.

All permits are nonrefundable. Lost or stolen permits are the responsibility of the holder and will not be replaced regardless of circumstances.

Long-Term Parking: There are several parking spaces designated for long-term parking. The cost remains \$1.50/day, but requires a three day minimum fee, excluding Saturdays, Sundays and holidays. Payment can be made by depositing cash or a check, made out to the Village of Vernon Hills, into the appropriate slot in the fee collection box. Long-term parking users should notify the police department at 362-4449 of their intended duration, license plate #, and if the length of your stay changes. Village personnel will check daily for either a monthly pass or the collection box for the proper fees and will ticket cars that have not paid the proper fees.

Parking Lot Security: The parking lot is patrolled daily by the Vernon Hills Police. However, as in any public parking lot, please exercise normal precautions. Lock your vehicle and take the key. Place all valuables and personal belongings out of sight. The Village assumes no liability for parked vehicles.

The parking lot and station are operated by the Village of Vernon Hills, 290 Evergreen Drive, Vernon Hills, IL 60061. Phone number: 847/367-3700. Fax number: 847/367-0880. TTY number: 847/918-3597.

Train service is provided by Metra. Phone number: 312/322-6777.
