

Emerald Ash Borer Compliant Contractors

Below is a list of contractors that may be able to assist you with treatment, removal or even general trimming of your ash tree or other trees on your property. These contractors have supplied the Village with a copy of their Illinois Department of Agriculture Emerald Ash Borer Compliance Agreement. This agreement simply states that the contractor will properly handle and dispose of any ash tree related material and observe all regulations in regard to the State quarantine of ash related debris.

The Village is providing this list as a reference only and does not endorse or promote any of the companies listed below. It is the responsibility of the homeowner to check the references of the contractor and it is highly suggested that you obtain a certificate of insurance before hiring a contractor to do work on your property.
