On May 1st, or shortly thereafter, weather permitting; the Village's Contractor, Schroeder & Schroeder Inc. will begin replacing curbs and sidewalk as marked. If the sidewalk or curb to be repaired falls within your driveway and you cannot access your drive, you will be able to park on the street until the sidewalk – curb work has been completed. The Police Department has been notified of street parking. All sidewalks - curb work including restoration is scheduled to be completed by May 31st.

**Please advise if you have a home sprinkler system or electronic dog fence and make the necessary arrangements to protect your improvements. Please identify any sprinkler heads or buried cables.
