## **Message from Advanced Disposal About Service Changes**

In response to COVID-19, and in an effort to protect both Advanced Disposal employees and the community, Advanced Disposal is implementing the following changes effective March 24.

- **All trash/refuse and recycling must be placed in the company designated cart.** Loose items outside of the container will not be collected.
- **All bulk item pickup/collection is suspended until further notice.**
- **At this time, yard waste service has not been affected. It is expected to begin on April 1.** While the Village and Park District sites are now closed to the public, yard waste stickers are expected to be available at other regular outlets, including Walgreens, Mariano's and Home Depot, or by contacting Advanced Disposal directly – 847-623-3870.
